PREMIER SERIES

- Full 3" thick REAL GLASS BLOCK windows with powder-coat finished, thermally broken aluminum frames
- Two-color frames are standard – choose one color for exterior and another for interior – no extra cost
- Easy to clean with off-the-shelf bath & tile cleaners – no cleaner restrictions like acrylic blocks
- High-performance sealants between the blocks are mold & mildew resistant – unlike traditional mortar joints
- Real glass blocks will not scratch or haze when washed like acrylic blocks - maintenance-free for a lifetime
